<p>I hereby make application for the removal of a building as detailed below. I understand that the route will be inspected immediately prior to the move and again afterwards to ensure no Council infrastructure is damaged in the shift. The following bond and fees will take effect from 1 July. Please attach a copy of your application submitted to the National Heavy Vehicle Regulator (NHVR) showing the exact routes to be taken.</p> <ul style="list-style-type: none"> \$3,221.00 Bond, fully refundable following a satisfactory inspection of route taken during a shift. \$1,185.00 Building transit fee covering the cost of carrying out a detailed inspection of Council's assets to determine if damage is caused. Unless travelling in Convoy, the fee will be applicable to each piece of house removal (ie if the house is moved in 2 pieces at separate times, it will attract 2 transit fees). <p>Should roadside infrastructure or vegetation be damaged or destroyed Council will undertake rectification works and then deduct the cost from the bond. If the bond is insufficient to cover the remedial work, you will be invoiced for the required amount.</p> <p>This application must be submitted to Council at least 5 business days prior to impending move to arrange a pre-inspection of the transit route.</p> <p>The \$1,185.00 inspection fee which is intended to cover an individual house component will not attract an additional inspection fee if temporarily stored in a holding yard and later taken from storage for a second/final shift. Notwithstanding, an application and bond of \$3,221.00 will be necessary for a subsequent shift.</p>
