

# Land for Wildlife – Scenic Rim Regional Council program

DECEMBER 2024 | HABITAT PROTECTION FACTSHEET

## What is it all about?

Scenic Rim Regional Council Land for Wildlife program is here to support our landholders in the conservation of our native flora and fauna.

## What the program offers:

It is a free program for landholders who are interested in restoring and protecting native habitats on their property. Includes but not limited to:

- Initial property assessment;
- Land for Wildlife Officer property visits;
- Technical restoration advice;
- Environmental weed management advice and training;
- Opportunities to participate in workshops with other members;

- Opportunities to apply for environmental grant funding;
- Expert flora, fauna and weed identification assistance;
- Fauna monitoring;
- A pathway to property conservation agreements and Nature Refuge program;
- Targeted species recovery projects;
- Forming a connection and social network;
- Improving mental & physical health;
- Specialist workshops and field days;
- Eligible to apply for Councils Environmental Grant offered annually;
- Access to resources, regular newsletters, LFW sign, including reference books, nest boxes, bush regeneration tools & equipment;

### Is my property eligible?

- Have at least 1 hectare of land of native vegetation.
- There must be a willingness to protect and improve all, or part, of your land for nature conservation. Yes, you can also be a farmer.
- Actively conducting bush regeneration on the property.

### How to get involved

To become part of Land for Wildlife, simply contact Council on **5540 5111** or email **mail@scenicrim.qld.gov.au** to arrange an appointment with a Council Land for Wildlife officer.

### More information?

For more information or to arrange a site assessment with an officer, please contact Biodiversity and Climate Change section on **5540 5111** or visit **www.scenicrim.qld.gov.au**
