SCOPE

Council also recognises that by virtue of their office its Councillors and Council employees may identify cases of corruption, maladministration or misuse of resources which will not be otherwise identified and addressed through internal controls.
2. Council recognises the sensitivities which can be associated with Public Interest Disclosures and the need to maintain public confidence in its process for managing Public Interest Disclosures. To that end Council will:
 - a. ensure that Public Interest Disclosures are managed appropriately in accordance with the requirements of the PID ACT
 - b. maintain confidentiality of Public Interest Disclosures received (as per s65 of the PID ACT)
 - c. consider prosecution of any person who provides a false or misleading statement or information to Council with the intention of it being processed as a PID (as per s66 of the PID ACT)

- d. consider prosecution and disciplinary action against any Councillor or Council employee who takes or attempts to take a reprisal action (refer ss40 & 41 of the PID ACT)
 - e. ensure that the proper records are maintained of Public Interest Disclosures received (as per s29 of the PID ACT) and that the confidentiality of all records created during the investigation and reporting of Public Interest Disclosures is preserved (as per s65 of the PID ACT)
3. These outcomes (including information regarding how a PID may be made) will be achieved via Attachment 1 - the Public Interest Disclosure Management Procedure, developed and implemented by the Chief Executive Officer in accordance with s 28(1) of the PID Act.

Attachment 1 Public Interest Disclosure Procedure

1. Introduction/Policy Statement

Scenic Rim Regional Council is committed to fostering an ethical, transparent culture. In pursuit of this, Scenic Rim Regional Council values the disclosure of information about suspected wrongdoing in the public sector so that it can be properly assessed and, if necessary, appropriately investigated. Scenic Rim Regional Council will provide support to an employee or others who make disclosures about matters in the public interest. This Procedure demonstrates this commitment, and ensures that practical and effective procedures are implemented which comply with the requirements of the [Public Interest Disclosure Act 2010](#) (PID Act).

- ensure appropriate consideration is given to the interests of persons who are the subject of a PID
- ensure protection from reprisal is afforded to persons making PIDs.

- a management program for PIDs made to Scenic Rim Regional Council, consistent with the standard issued by the Queensland Ombudsman, is developed and implemented
- public officers who make PIDs are offered protection from reprisal by Scenic Rim Regional Council or other public officers of Scenic Rim Regional Council.

Scenic Rim Regional Council's Public Interest Disclosure Procedure is available for public viewing at Scenic Rim Regional Council's website. The Public Interest Disclosure Procedure will be reviewed annually and updated as required to ensure it meets the requirements of the PID Act and the standard issued by the Queensland Ombudsman.

3. PID Management Program

The Chief Executive Officer has overall responsibility for ensuring that Scenic Rim Regional Council develops, implements and maintains a PID management program. The Scenic Rim Regional Council PID management program encompasses:

4. Why make a PID?

Employees who are prepared to speak up about public sector misconduct, wastage of public funds, suspected unlawful activity or danger to health, safety or the environment can be the most important sources of information to identify and address problems in public sector administration. **Scenic Rim Regional Council** supports the disclosure of information about wrongdoing because:

- implementing systems for reporting and dealing with wrongdoing contributes to the integrity of Scenic Rim Regional Council
- the outcomes of PIDs can include improvements to systems that prevent fraud and other economic loss to Scenic Rim Regional Council

- the community's trust in public administration is strengthened by having strong processes in place for reporting wrongdoing.

When making a PID the discloser receives the protections provided under the PID Act, including:

- confidentiality – the discloser's name and other identifying information will be protected to the extent possible
- protection against reprisal – the discloser is protected from unfair treatment by Scenic Rim Regional Council and employees of Scenic Rim Regional Council as a result of making the PID
- immunity from liability – the discloser cannot be prosecuted for disclosing the information but is not exempt from action if they have engaged in wrongdoing
- protection from defamation – the discloser has a defence against an accusation of defamation by any subject officer.

5. What is a Public Interest Disclosure?

Under the PID Act, any person can make a disclosure about a:

- substantial and specific danger to the health or safety of a person with a disability
- substantial and specific danger to the environment
- reprisal because of a belief that a person has made, or intends to make a disclosure.

In addition, public sector officers can make a disclosure about the following public interest matters:

- corrupt conduct
- maladministration that adversely affects a person's interests in a substantial and specific way
- a substantial misuse of public resources
- a substantial and specific danger to public health or safety
- substantial and specific danger to the environment.

A discloser can have either a 'reasonable belief' that wrongdoing has occurred, or provide evidence which tends to show the wrongdoing has occurred.

A disclosure amounts to a PID and is covered by the PID Act even if the:

- discloser reports the information as part of their duties – such as an auditor reporting a fraud or an occupational health and safety officer reporting a safety breach
- disclosure is made anonymously – the discloser is not required to give their name or any identifying information
- discloser has not identified the material as a PID – it is up to Scenic Rim Regional Council to assess information received and decide if it is a PID
- disclosure is unsubstantiated following investigation – the discloser is protected when the information they provide is assessed as a PID, whether or not it is subsequently investigated or found to be substantiated.

6. Who can a PID be disclosed to?

A PID must be made to the 'proper authority' to receive disclosures of the type being made.

Disclosers are encouraged to make a disclosure to an appropriate officer of Scenic Rim Regional Council first. If the matter is not resolved, or the discloser is concerned about confidentiality, the disclosure may be made to another appropriate agency.

Who to contact within Scenic Rim Regional Council:	Other agencies that can receive PIDs:
<p>Any person (including employees) can make a disclosure to:</p> <ul style="list-style-type: none"> any person in a supervisory or management position the governance unit the human resources unit the Chief Executive Officer or a General Manager. <p>Phone 0755405111 mail@scenicrim.qld.gov.au</p>	<p>Disclosures can be made to an agency that has a responsibility for investigating the information disclosed:</p> <ul style="list-style-type: none"> Crime and Corruption Commission (CCC) for disclosures about corrupt conduct including reprisal Queensland Ombudsman for disclosures about maladministration Queensland Audit Office for disclosures about a substantial misuse of resources Department of Child Safety, Youth and Women for disclosures about danger to the health and safety of a child or young person with a disability Department of Communities, Disability Services and Seniors for disclosures about danger to the health and safety of a person with a disability Office of the Public Guardian for disclosures about danger to the health and safety of a person with a disability Department of Environment and Science disclosures about danger to the environment A Member of the Legislative Assembly (MP) for any wrongdoing or danger The Chief Judicial Officer of a court or tribunal in relation to a disclosure about wrongdoing by a judicial officer.

A disclosure can also be made to a journalist if the following conditions have been met:

- a valid PID was initially made to a proper authority, and
- the proper authority:
 - decided not to investigate or deal with the disclosure, or
 - investigated the disclosure but did not recommend taking any action, or
 - failed to notify the discloser within six months of making the disclosure whether or not the disclosure was to be investigated or otherwise dealt with.

A person who makes a disclosure to a journalist in these circumstances is protected under the PID Act. However, disclosers should be aware that journalists are not bound under the confidentiality provisions of section 65 of the PID Act.

7. How to make a PID

A discloser can make a PID in any way, including anonymously, either verbally or in writing. To assist in the assessment, and any subsequent investigation of a PID, disclosers are requested to:

- provide contact details (this could be an email address that is created for the purpose of making the disclosure or a telephone number)
- provide as much information as possible about the suspected wrongdoing, including:
 - who was involved
 - what happened
 - when it happened
 - where it happened
 - whether there were any witnesses, and if so who they are
 - any evidence that supports the PID, and where the evidence is located
 - any further information that could help investigate the PID
- provide this information in writing.

8. Deciding whether a matter is a PID

If there is any doubt as to whether a matter is a PID, further information may be obtained to inform the decision. If doubt still remains, the matter will be considered and managed as a PID.

Mere disagreements over policy do not meet the threshold for a PID under the PID Act.

It is an offence under the PID Act to intentionally give false or misleading information intending it be acted on as a PID. Employees may be subject to disciplinary action for intentionally giving false or misleading information in a PID, or during an investigation into a PID.

9. Assessing a PID

The disclosure will be assessed in accordance with the PID Act, the PID Standard, Scenic Rim Regional Council's Public Interest Disclosure Procedure and any other relevant procedure(s).

Once the matter has been assessed as a PID, Scenic Rim Regional Council will advise the discloser:

- that their information has been received and assessed as a PID
- the action to be taken by Scenic Rim Regional Council in relation to the disclosure, which could include referring the matter to an external agency, or investigating
- the likely timeframe involved
- the name and contact details of the Scenic Rim Regional Council support officer they can contact for updates or advice
- of the discloser's obligations regarding confidentiality
- the protections the discloser has under the PID Act
- the commitment of Scenic Rim Regional Council to keep appropriate records and maintain confidentiality, except where permitted under the PID Act
- how updates regarding intended actions and outcomes will be provided to the discloser
- contact details for the Scenic Rim Regional Council's Employee Assistance Program.

If the PID has been made anonymously and the discloser has not provided any contact details, Scenic Rim Regional Council will not be able to acknowledge the PID or provide any updates.

Upon receiving a PID, Scenic Rim Regional Council will conduct a risk assessment to assess the likelihood of the discloser suffering reprisal action as a result of having made the disclosure. This assessment will take into account the actual and reasonably perceived risk of the discloser suffering detriment, and will include consultation with the discloser.

Consistent with the assessed level of risk, Scenic Rim Regional Council will arrange any reasonably necessary support or protection for the discloser.

10. Referring a PID

If Scenic Rim Regional Council decides there is another proper authority that is better able to deal with the PID, the PID may be referred to that agency. This may be because:

- the PID concerns wrongdoing by that agency or an employee of that agency
- the agency has the power to investigate or remedy the matter.

In these cases, the discloser will be advised of the action taken by Scenic Rim Regional Council.

It may also be necessary to refer the PID to another agency because of a legislative obligation, for example, refer a matter to the Crime and Corruption Commission where there is a reasonable suspicion that the matter involves or may involve corrupt conduct (as required by section 38 of the [Crime and Corruption Act 2001](#)).

The confidentiality obligations of the PID Act permit appropriate officers of Scenic Rim Regional Council to communicate with another agency about the referral of a PID. Officers will exercise discretion in their contacts with any other agency.

11. Declining to take action on a PID

Under the PID Act, the Scenic Rim Regional Council may decide not to investigate or deal with a PID in various circumstances, including:

- the information disclosed has already been investigated or dealt with by another process
- the information disclosed should be dealt with by another process
- the age of the information makes it impractical to investigate
- the information disclosed is too trivial and dealing with it would substantially and unreasonably divert Scenic Rim Regional Council from the performance of its functions
- another agency with jurisdiction to investigate the information has informed Scenic Rim Regional Council that an investigation is not warranted.

If a decision is made not to investigate or deal with a PID Scenic Rim Regional Council will give the discloser written reasons for that decision.

If the discloser is dissatisfied with the decision they can request a review by writing to the Chief Executive Officer of Scenic Rim Regional Council within 28 days of receiving the written reasons for decision.

12. Investigating a PID

If a decision is made to investigate a PID, this will be done with consideration for the:

- principles of natural justice
- obligation under the PID Act to protect confidential information
- obligation under the PID Act to protect officers from reprisal
- interests of subject officers.

If as a result of investigation, the information about wrongdoing provided in the PID is substantiated, appropriate action will be taken.

Where the investigation does not substantiate wrongdoing, Scenic Rim Regional Council will review systems, policies and procedures to identify whether there are improvements that can be made and consider if staff training is required.

13. Organisational Support for disclosers

Disclosers should not suffer any form of detriment as a result of making a PID. In the event of reprisal action being alleged or suspected, Scenic Rim Regional Council will:

- attend to the safety of disclosers or affected third parties as a matter of priority
- review its risk assessment and any protective measures needed to mitigate any further risk of reprisal
- manage any allegation of a reprisal as a PID in its own right.

Details about disclosures, investigations, and related decisions will be kept secure and accessible only to the people involved in the management of the PID. Scenic Rim Regional Council will ensure that communication with all parties involved will be arranged discreetly to avoid identifying the discloser wherever possible.

While Scenic Rim Regional Council will make every attempt to protect confidentiality, a discloser's identity may need to be disclosed to:

- provide natural justice to subject officers
- respond to a court order, legal directive or court proceedings.

Disclosers should be aware that while Scenic Rim Regional Council will make every attempt to keep their details confidential, it cannot guarantee that others will not try to deduce their identity. Information and support will be provided to the discloser until the matter is finalised.

Making a PID does not prevent reasonable management action. That means that the discloser will be continue to be managed in accordance with normal, fair and reasonable management practices during and after the handling of the PID.

14. Rights of subject officers

Scenic Rim Regional Council acknowledges that for officers who are the subject of a PID the experience may be stressful. Scenic Rim Regional Council will protect their rights by:

- assuring them that the PID will be dealt with impartially, fairly and reasonably in accordance with the principles of natural justice
- confirming that the PID is an allegation only until information or evidence obtained through an investigation substantiates the allegation
- providing them with information about their rights and the progress and outcome of any investigation
- referring them to the Employee Assistance Program for support.

Information and support will be provided to subject officer until the matter is finalised.

15. Record-keeping

In accordance with its obligations under the PID Act and the [Public Records Act 2002](#), Scenic Rim Regional Council will ensure that:

- accurate data is collected about the receipt and management of PIDs
- anonymised data is reported to the Office of the Queensland Ombudsman in their role as the oversight agency, through the PID reporting database.
