

Councillor Conduct Register

On 3 December 2018 the *Local Government Act 2009* (the Act) was amended requiring Council to maintain and publish a Councillor Conduct Register under section 150DX. This replaced a requirement under section 181A to keep a record of written complaints about councillor conduct or performance.

The Councillor Conduct Register records matters set out in section 150DX(1) relating to unsuitable meeting conduct, suspected inappropriate conduct, decisions about misconduct, conduct complaints dismissed by the Assessor, and decisions by the Assessor to take no further action.

"Subject Councillor" information is only included if the local government tribunal decided that the Councillor engaged in inappropriate conduct or misconduct, or where the Councillor agrees to their name being included in the register (section 150DY of the Act). Information about a complaint which may be part of a public interest disclosure under the *Public Interest Disclosure Act 2010* is not available for review in the public register.

This is a record of eligible complaints received for the 2016-2020 Council term received from 3 December 2018.
