Impact assessment		

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development
Any other use not listed in the table		The Planning Scheme
Any other use in this table and not meeting the description listed in the categories of development and assessment column.		
Any other undefined use		

Editor's note;

- (1) *The above categories of development and assessment apply unless otherwise prescribed within the Act or the Regulation; and*
- (2) *Uses may be subject to requirements, standards and approvals specified in other laws. Compliance with the requirements of the planning scheme does not, on its own, provide authorisation for a use to be conducted. Potential operators should conduct a due diligence assessment prior to the commencement of a use.*
