5.5 Categories of Development and Assessment - Material Change of Use

The following tables identify the categories of development and assessment for development in a zone for making a material change of use.

5.5.1 - Community Facilities Zone

Table 5.5.1.1 - Community Facilities Zone

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development	
All uses	Accepted		
	If a local utility	Not applicable	
Air services	Code assessment		
	If for a helipad for Emergency services	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Parking and Access Code	
Animal husbandry	Accepted		
		Not applicable	
Caretaker's	Accepted subject to requirements		
accommodation	If not exceeding 100m² GFA	Caretaker's Accommodation Code	
	Code assessment		
	If not Accepted subject to requirements	Caretaker's Accommodation Code	
Child care centre	Code assessment		
	If obtaining access from a higher order road	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Club	Accepted subject to requirements		
Club	 If; (1) located in an existing commercial building not exceeding 200m² GFA; and (2) not involving building work (other than minor building work). 	Parking and Access Code	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development	
Community care centre	Accepted subject to requirements		
	If not involving building work (other than minor building work)	Parking and Access Code	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Community	Accepted		
residence		Not applicable	
Community use	Accepted subject to requirements		
- Januarity woo	If not involving building work (other than minor building work)	Parking and Access Code	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Cropping	Accepted		
		Not applicable	
Educational	Accepted subject to requirements		
establishment	If; (1) located in an existing commercial building; and (2) not involving building work (other than minor building work); and (3) not involving accommodation.	Parking and Access Code	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Emergency services	Code assessment		

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development	
		Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Parking and Access Code	
Environment facility	Code assessment		
		Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Landscaping Code Parking and Access Code Tourism Uses Code	
Health care service	are service Code assessment		
	If not exceeding 200m² GFA	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Indoor sport and	Accepted subject to requirements		
recreation	If; (1) located in an existing commercial building; and (2) not involving building work (other than minor building work);and (3) obtaining access from a sealed road.	Parking and Access Code	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
	Accepted		
Major electricity infrastructure	Where proposed as underground infrastructure		
	Code assessment		
	If not accepted	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code	
Market	Accepted subject to requirements		
	If not exceeding 2 markets in a calendar month	Market Code	

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development	
	Code assessment		
	If not Accepted subject to requirements	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Landscaping Code Market Code Parking and Access Code	
Outdoor sales	Code assessment		
	If involving a <i>livestock saleyard</i>	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Outdoor sport and recreation	Code assessment		
recreation	If not involving a rifle or shooting range	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Park	Accepted		
		Not applicable	
Parking station	Code assessment		
		Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Permanent plantation	Accepted		
, ca		Not applicable	
Place of worship Code assessment			
	If involving an extension to an existing Place of worship	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Renewable energy	Code assessment		

Use	Categories of development and assessment	Assessment benchmarks for assessable development and requirements for accepted development
facility		Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Landscaping Code
Roadside Stall	Accepted subject to requirements	
	If not exceeding 9m² in total sales area	Roadside Stall Code
	Code assessment	
	If not Accepted subject to requirements	Roadside Stall Code
Substation	Accepted	
		Not applicable
Telecommunications	Code assessment	
facility		Earthworks, Construction and Water Quality Code General Development Provisions Code Telecommunications Facility Code
Utility installation	Accepted	
	If involving a minor utility installation	Not applicable
	Code assessment	
	If not Accepted	Community Facilities Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code
Impact assessment		
Any other use not listed in the table		The Planning Scheme
Any other use in this table and not meeting the description listed in the "Categories of development and assessment" column.		The Flamming Continue
Any other undefined use	•	

Editor's note -

⁽¹⁾ The above categories I of development and assessment apply unless otherwise prescribed within the Act or the Regulation; and

⁽²⁾ Uses may be subject to requirements, standards and approvals specified in other laws. Compliance with the requirements of the planning scheme does not, on its own, provide authorisation for a use to be conducted. Potential operators should conduct a due diligence assessment prior to the commencement of a use.
