	If not Accepted subject to requirements	Industry Zone Code Earthworks, Construction and Water Quality Code General Development Provisions Code Infrastructure Design Code Landscaping Code Parking and Access Code	
Impact assessment			
Any other use not listed		The Planning Scheme	
Any other use in this table and not meeting the description listed in the categories of development and assessment column.		The Planning Scheme	
Any other undefined use			

Editor's notes
(1) The above categories of development and assessment apply unless otherwise prescribed within the Act or the Regulation; and

(2)	Uses may be subject to requirements, standards and approvals specified in other laws. Compliance with the requirements of the planning scheme does not, on its own, provide authorisation for a use to be conducted. Potential operators should conduct a due diligence assessment prior to the commencement of a use.
