

# 6-10 Activity Sheet

## Friendship Bracelet

Friendship bracelets are fun to make and share

### What you Need:

Three colours of embroidery thread or yarn (multi coloured wool works well)  
Scissors  
Sticky Tape

### How To:

1. Cut 2 x 30cm lengths of each colour of thread. Gather the 6 strands together and tie a knot at the top, leaving a 10cm tail. Tape the thread down, just above the knot.

2. Sort the strands by colour. Take the first strand and loop it over the second strand, so it looks like a 4. Put the first strand under the second strand and through the loop.

3. This makes a knot. Hold the second strand while you tighten the knot. Repeat step 2 to make a second knot on the same strand. Now you have made a double knot.

4. With the same thread, double knot around each of the remaining strands, just like steps 2 and 3, working left to right. Hold each strand tight when you knot.

5. You will now have a different thread on the far left. Repeat steps 2, 3 and 4. Keep going until the bracelet is as long as you want it. Tie a knot with all the strands at the end of the bracelet.

Now you have a beautiful bracelet. Make one for yourself and one for your friends.  
A great gift idea.
