

6-10 Activity Sheet

Sock Animals

What you need:

- Socks
- Craft Bits
- Scissors
- Googly eyes (optional)
- Rice (or stuffing of any kind)
- Pipe cleaner or ribbon
- Elastic bands

How It Works

There are lots of different ways you can make sock animals! Here are some of our favourites

Bunny/Dog/Cat:

- Fill the sock (approx. 3/4 full) with rice/stuffing and secure with an elastic band
- Use another elastic band and a pipe cleaner or ribbon to separate the body from the head
- Cut the top in half to create ears and trim to be the size and shape you want
- Decorate however you like!

Octopus:

- Fill the sock (approx. 3/4 full) with rice/stuffing and secure with an elastic band
- Cut the end of the sock to create legs for your octopus
- Decorate however you like!

Use your imagination and come up with your own amazing creation!
