1. Distribution

This is a controlled document that supports the implementation of the Scenic Rim Local Disaster Management Plan.

This Terms of Reference and Guide is distributed to all persons listed in the Scenic Rim Local Disaster Management Group (LDMG) contact list, as members, advisors or observers.

2. Rationale

The State Disaster Management Plan acknowledges that:

“Local governments are primarily responsible for managing events in their local government area through their Local Disaster Management Group (LDMG).

LDMGs are empowered by legislation to act as the frontline of disaster management in Queensland. This work is undertaken from a perspective of shared responsibility among all stakeholders and is characterised by consultation, collaboration and participation.”¹

This guide details:

- how Scenic Rim Regional Council forms its Local Disaster Management Group,
- the Terms of Reference for the group,
- the membership appointment process,
- the expectations of members, and
- triggers and stages of activation of LDMG

The Local Disaster Management Group Guide also refers to:

- Register (Contact List) of Membership of the Scenic Rim Local Disaster Management Group (Members, Advisors and Observers)

Under the approved Scenic Rim Local Disaster Management Plan, these registers will be updated at least quarterly or as required.²

This guide should be read in conjunction with the Scenic Rim Local Disaster Management Plan available on Scenic Rim Regional Council's website found here: <https://www.scenicrim.qld.gov.au/council-services/disaster-management/plans-and-documents>

4.7 Disaster Management Unit (DMU)

Scenic Rim Regional Council supports disaster management within the region with its Disaster Management Unit, which is staffed by a full-time qualified and experienced disaster management coordinator and assisted as requested by other Council officers to fulfil the disaster management function.

Scenic Rim Regional Council appoints the Disaster Management Coordinator as a member to the Local Disaster Management Group.

The Disaster Management Coordinator is responsible for providing:

- expertise and advice on disaster management to the Local Disaster Management Group, and
- secretariat and other administrative support to the group on behalf of the Local Disaster Management Group,
- to assist the Local Disaster Coordinator to fulfil the operational function of response and recovery when during an event, and
- and deliver the Scenic Rim Regional Council's Disaster Management Policy, strategies and projects.¹⁵

4.8 Members

Scenic Rim Regional Council appoints members to the Scenic Rim Local Disaster Management Group. Members are appointed to the Local Disaster Management Group for the purpose of ensuring that it is able to meet its functions.

Scenic Rim Regional Council appoints members on the basis of:

- their ability to represent their agency and commit their agency to contribute to Local Disaster Management Group's business,
- their knowledge of the Queensland Disaster Management Arrangements, or their ability to rapidly acquire this knowledge, and
- their knowledge of the organisation, business and agenda of the Scenic Rim Local Disaster Management Group and the Scenic Rim Local Disaster Management Plan, or their ability to rapidly acquire this knowledge.

Appointments as members are endorsed by the Chair and Local Disaster Coordinator of the Local Disaster Management Group.

Scenic Rim Regional Council will, at least once a year, give written notice of the members of the Local Disaster Management Group and appointments to the State Disaster Management Committee and the Logan District Disaster Coordinator.¹⁶

Representatives in the members group are the core members of the Local Disaster Management Group, information obtained is for their knowledge for critical decision making and strategic planning to combat the disaster event. Information is not to be distributed outside of their organisation and reporting management structure. It is the member's responsibility to obtain and inform with appropriate information between the Local Disaster Management Group and their organisation.

¹⁵ Scenic Rim Regional Council, (2018) Disaster Management Council Policy WI06.01CP

¹⁶ Scenic Rim Regional Council, Local Disaster Management Plan (2019) Section 2.5 Core Membership

4.9 Deputies

Scenic Rim Regional Council authorises agencies to nominate one person to serve as a deputy, should their representative be unable to attend Local Disaster Management Group meetings.

Deputies are recommended by their agency, and approved by the Chair and Local Disaster Coordinator of the Local Disaster Management Group.

Whilst deputies may assist in the Local Disaster Management Group's decision making processes through discussion and contributions, they do not hold endorsement rights and do not contribute to forming a quorum for the Local Disaster Management Group unless they are acting in the capacity of an absent member.

4.10 Advisors

The Scenic Rim Local Disaster Management Group may be supported by agencies other than permanent members to provide an advisory role for hazard or threat specific events.

Whilst advisors assist in the Local Disaster Management Group's decision making processes through the provision of expertise, they do not hold any voting rights and do not contribute to forming a quorum for the group.

Representatives in the advisor group are there to support the Local Disaster Management Group, information obtained is for their knowledge and their organisation on how they can best support the Local Disaster Management Group. Information is not to be distributed outside of their organisation and reporting management structure. It is the advisor's responsibility to obtain and inform with appropriate information between the Local Disaster Management Group and their organisation.

The Chair and/or Local Disaster Coordinator are authorised to invite advisors and other persons to the Local Disaster Management Group.

In order for an agency to become an Advisor, a written submission needs to be received by the Disaster Management Unit for the Disaster Management Coordinator, Local Disaster Coordinator and/or Chair to approve. Alternatively, the Local Disaster Coordinator or Chair will approach a particular agency to provide their expertise to the Local Disaster Management Group, to better inform the group for endorsement and/or decision making.

4.11 Observers

The Scenic Rim Local Disaster Management Group also hold an observer group for additional agencies to support the Local Disaster Management Group. These agencies receive the Local Disaster Management Groups correspondence and can attend meetings if desired and when required.

Representatives in the observer group are there to obtain information for their organisation, and are not to distribute information outside of their organisation and reporting management structure. It is the observers responsibility to obtain and inform with appropriate information between the Scenic Rim Local Disaster Management Group and their organisation.

These agencies do not hold voting rights or contribute to forming a quorum, however can be called upon by the Chair and/or Local Disaster Coordinator to present to the Local Disaster Management Group according to their expertise.

In order for an agency to become an Observer, a written submission needs to be received by the Disaster Management Unit for the Disaster Management Coordinator, Local Disaster Coordinator and/or Chair to approve. Alternatively, the Local Disaster Coordinator or Chair will approach a particular agency to provide their expertise to the Local Disaster Management Group, to better inform the group for endorsement and/or decision making.

4.12 Register and Contact List

Scenic Rim Regional Council's Disaster Management Unit maintains a current register of the Local Disaster Management Group. This includes current contact details of all relevant members, advisors, observers and their deputies.

This register and contact list will be updated at least quarterly, with amendments distributed through the scheduled meetings of the Scenic Rim Local Disaster Management Group.

In addition, the Disaster Management Unit may update the contact list “out of session” on behalf of the Local Disaster Coordinator, if necessary. This might be due to changes in membership, or a need to provide updated contact details in preparation for a disaster event.

If updated, out of session, the Disaster Management Unit will distribute the contact list and register to the Local Disaster Management Group.¹⁷

5. Responsibilities

Members of the Scenic Rim Local Disaster Management Group are required to fulfill below points and their responsibilities outlined in the Scenic Rim Local Disaster Management Plan¹⁸:

- **attend meetings of the Local Disaster Management Group**
 - Each member and advisor are required to ensure that they or their identified deputy attend the Local Disaster Management Group's meetings and participate in its business.
 - Each member and advisor understand that as a member of the Local Disaster Management Group, they may be asked to commit resources from their agency to contribute to the business of the Local Disaster Management Group. Members should hold sufficient delegation to be able to commit resources.
- **provide regular reports of their agency's disaster management actions**
 - Each member and advisor is to provide a report at each meeting of the Scenic Rim Local Disaster Management Group regarding their agency's disaster management actions and future plans.
 - Each member and advisor is required to contribute any additional information regarding their agency's disaster management actions as required by the Local Disaster Management Group in its compilation of its annual report.

¹⁷ Scenic Rim Regional Council, Local Disaster Management Plan (2019) Section 2.5 Core Membership

¹⁸ Scenic Rim Regional Council, Local Disaster Management Plan (2019) Section 2.6.1.1 Roles and Responsibilities

- 
- **attend disaster management training, exercises and understand the Queensland Disaster Management Arrangements (QDMA)**
 - Each member and advisor are to ensure that they and their deputy complete all the mandatory training that is outlined in the Queensland Disaster Management Training Framework, provided by Queensland Fire and Emergency Services.
 - Each member and advisor must be aware and understand the Queensland Disaster Management Arrangements (QDMA), and be familiar with the below disaster management documentation;
 - Queensland Disaster Management Act, 2003 and Regulation 2014,
 - Queensland Disaster Management Strategic Policy Statement,
 - Emergency Management Assurance Framework (EMAF), the Standard for Disaster Management in Queensland,
 - Queensland Disaster Management Guidelines (Prevention, Preparedness, Response and Recovery), and
 - Scenic Rim Local Disaster Management Plan, Sub Plans and procedures.
 - **notify the Local Disaster Management Group of any disaster or potential disaster**
 - Each member and advisor is to notify the Scenic Rim Local Disaster Management Group via the Disaster Management Unit of any event within their agency's area of responsibility that has or is likely to cause a disaster within the Scenic Rim community.
 - Each member and advisor whose agency operates a disaster warning system is to pass on warnings of potential disasters in a timely fashion to the Disaster Management Unit or Local Disaster Coordinator to ensure the Local Disaster Management Group and the community is informed and aware.
 - Each member and advisor is required to pass onto the Local Disaster Management Group, via the Disaster Management Unit, information relevant to disaster response and recovery.
 - The Disaster Management Unit will ensure that all information pertaining to disasters and potential disasters, approved by the Local Disaster Coordinator is shared to the Local Disaster Management Group, or to members, advisors or observers as appropriate.
 - **contribute to disaster response and recovery actions**
 - Each member or identified deputy is required to attend scheduled meetings of the Scenic Rim Local Disaster Management Group during disaster response and recovery phases. If a disaster prevents a member from participating, the member's agency must notify the Local Disaster Management Group and provide their deputy as soon as possible.

- 
- Each member will commit on behalf of their agency to provide a liaison officer to work in the region's Local Disaster Coordination Centre, if required/requested.¹⁹
 - **participate in other business of the Local Disaster Management Group**
 - Each member commits their agency to actively participating in the Scenic Rim Local Disaster Management Group's related business, such as training, exercises, community awareness and education, as outlined in the Scenic Rim Regional Council, Local Disaster Management Plan.

6. Conduct of Business

6.1 Meetings

In normal circumstances, the Scenic Rim Local Disaster Management Group will meet on a quarterly basis.

Four meetings are held per annum. The annual meeting cycle is February, May, August and November.

During a disaster, the Local Disaster Management Group will meet at least daily to ensure coordination of disaster response and recovery actions.

The Chair will call a meeting if asked, in writing, to do so by the Logan District Disaster Coordinator.

6.2 Notice of Meetings

Prior to quarterly meetings, a notice of meeting and meeting agenda will be provided to all persons on the Contact List, by calendar invitation and email correspondence.

6.3 Activated Agenda

If activated, initial Local Disaster Management Group meeting agendas will include the following issues:

- Briefing on disaster event,
- Consideration of the level of response required for the event,
- Specialist services or support required,
- Communication strategy,
- Resource commitment and capacity of each organisation,
- Reports from sub groups and agencies,
- Matters referred by the District Disaster Coordinator or District Disaster Management Group,
- Immediate, mid-term and longer-term priorities,
- Cost capture, funding and budgeting issues,
- Other business, and
- Location and timing of subsequent meetings

¹⁹ Scenic Rim Regional Council, Local Disaster Management Plan (2019) Section 7.9 Liaison Officers

6.4 Quorum

Under Section 40 of the *Disaster Management Act 2003*, a quorum for the Scenic Rim Local Disaster Management Group is the number equal to one half of the members holding office plus 1; or if one half of the number of members is not a whole number, the next highest whole number.

A meeting of the Local Disaster Management Group must have a quorum present when decision making is part of the business of the meeting.

It is in the best interest that a member of the lead agency must be present during decision making stages.

6.5 Endorsement and Decision Making

Endorsement or official decision making is conducted through the Local Disaster Management Group according to quorum arrangements.

Expert advice from advisers or observers and invited guests can be presented to the Local Disaster Management Group members in making an endorsement or a decision.

Endorsement or a significant decision will be noted in the Local Disaster Management Group minutes for acknowledgment and recording.

Endorsement or a significant decision can also be made by flying minutes, distributed and recorded through the Disaster Management Unit. Flying minutes correspondence is conducted through the non-active period of the Local Disaster Management Group.

During the active phases of response and recovery of the Local Disaster Management Group, endorsement and decision making is verbally discussed and recorded in the minutes, along with information, documentation or presentation that assisted in that decision.

6.6 Chairperson

The Chair of the Scenic Rim Local Disaster Management Group will preside at all meetings of the Local Disaster Management Group at which the Chairperson is present.

If the Chairperson is absent from a meeting of the Local Disaster Management Group, but the Deputy Chair is present, the Deputy Chair will preside.

A meeting of the Local Disaster Management Group can occur if both the Chair and Deputy Chair is absent, provided the Local Disaster Management Group elects a temporary Chair for the meeting and a quorum is present.

6.7 Business Documents

The Scenic Rim Local Disaster Management Group will maintain the following documents as records of the Local Disaster Management Group's meetings:

- meeting minutes
- meeting schedules
- meeting agendas
- progress reports on disaster management projects (eg. mitigation initiatives/strategies, disaster management studies, exercise outcomes, etc)
- agency reports from Local Disaster Management Group meetings

6.8 Secretariat Support

Through the Scenic Rim Regional Council, Disaster Management Unit, or delegated officer, executive support to the Local Disaster Management Group including meeting coordination and necessary reporting requirements will be provided (including the Annual Report, register of contact details, agenda and minutes).

7. Activation of Local Disaster Management Group

7.1 Context

The Local Disaster Coordinator and individual members of the Scenic Rim Local Disaster Management Group will maintain situational awareness during 'peak' hazard periods (such as bushfire, storm or cyclone season) and maintain a watching brief during these times.

The Local Disaster Management Group may be required to be activated to coordinate the response to a major event that could or has effected the Scenic Rim community. The decision to activate the disaster management system is dependent upon a number of factors, including the perceived level of threat.

The Local Disaster Coordinator (or delegate) maintains a watching brief for the development of a potential threat through identified information sources for example, weather forecasts, agency reports, or the Queensland Emergency Management Reports (QEMR).

The Local Disaster Coordinator (or delegate) also regularly seeks out information about any potential threat from other sources for example, monitors news broadcasts, police reports, general discussions with reputable sources and/or community concerns.

The Local Disaster Coordinator (or delegate) will analyse the information and present to the Local Disaster Management Group Chair, District Disaster Coordinator and other lead roles within the Scenic Rim disaster management arrangements.²⁰

7.2 Timely Activation

The Chairperson of the Scenic Rim Local Disaster Management Group has responsibility for activating the Local Disaster Management Group and implementing the Scenic Rim Local Disaster Management Plan.

In the discussion with the Local Disaster Management Group, Chair, the Local Disaster Coordinator will activate the Local Disaster Coordination Centre.

This will usually occur in consultation with all or some of the following:

- Local Disaster Management Group Chair
- Local Disaster Coordinator
- District Disaster Coordinator
- Local Disaster Management Group Members,
- Lead Agency, Incident Controller
- Disaster Management Coordinator

²⁰ Scenic Rim Regional Council, Local Disaster Management Plan (2019) Section 7.4 Concept of Operation

Activation will occur:

- as a response to a warning or perceived need which identifies a disaster or emerging threat to the region or parts of the region; or
- as a response to indications or advice of a worsening situation; or
- in response to an unexpected event; or
- at the request of the responsible lead agency/control authority for the provision of resource support and coordination in support of operations; or
- at the request of the District Disaster Coordinator.²¹

7.3 Stages of Activation

If an incident/emergency or disaster is to be recognised, the Local Disaster Coordinator will instruct the Disaster Management Unit to activate the Scenic Rim Incident Management Team for the Local Disaster Coordination Centre and the activation of the Scenic Rim Local Disaster Management Group.

Other Council departments may also be notified to ensure Council can respond to assist the hazard lead agency in combating the disaster event.

These may include:

- Resources and Sustainability Business Unit;
- Maintenance and Operations Business Unit;
- Community and Culture Business Unit;
- Regional Prosperity and Communications Business Unit;
- Health, Building and Environment Business Unit; and
- Subject matter experts, as required.

The four official stages or levels of activation for the Local Disaster Management Group, Local Disaster Coordination Centre and/or the Local Recovery Group are:²²

- **ALERT** – Local Disaster Management Group members and/or Local Disaster Coordination Centre staff are advised to consider operational preparedness to the warnings of the threat or potential for a requirement to respond.
- **LEAN FORWARD** – Local Disaster Management Group members are requested to ensure their operational readiness and capacity is in place to respond to the threat. Local Disaster Coordination Centre staff availability is confirmed and they are requested to commence planning for activation of the Local Disaster Coordination Centre.
- **STAND UP** – Local Disaster Management Group members are activated. The Local Disaster Coordination Centre is active, staffed and operating at the level required to undertake coordination of disaster operations to respond to the situation.
- **STAND DOWN** – Local Disaster Management Group members scale down or cease disaster operations. The Local Disaster Coordination Centre ceases coordination of disaster operations due

LEAN FORWARD

- There is the likelihood that the threat may affect the Scenic Rim region.
- The threat is quantified but may not yet be imminent
- Need for public awareness
- Local Disaster Management Group is now to manage the event

The Local Disaster Coordinator (or delegate) will:

- Notify the District Disaster Coordinator and State Disaster Coordination Centre
- Inform Local Disaster Management Group of LEAN FORWARD stage
- Maintain minimum staffing levels within the Local Disaster Coordination Centre (ie Local Disaster Coordinator or nominated person and Disaster Management Coordinator), to monitor, record and, if necessary, establish communications with the lead agency to ensure appropriate information flow.
- Establish regular communications with warning agency.
- Advise Local Recovery Coordinator of situation
-
- Advise all relevant agencies of activation of Local Disaster Coordination Centre and that all enquiries are to be directed there.
- Advise Shelter Manager of any relevant information.
- Advise Council staff to prepare for operations
- Continue to monitor the situation
- Notify State Disaster Coordination Centre of relevant Emergency Alert polygon and message, if applicable
- Determine trigger point to STAND UP
- Consult with the Chairperson, Queensland Fire and Emergency Services, Queensland Police Service regarding future action and implementation of the Local Disaster Management Plan

Contact with the District Disaster Coordinator, Queensland Fire and Emergency Services, Queensland Police Service and State Emergency Service and specific staff of Scenic Rim Regional Council will be by telephone or otherwise as determined by the Local Disaster Coordinator.

Incident Management Team staff, Local Disaster Management Group, and Shelter Manager will receive emails and SMS stating, "LDMG/LDCC @ LEAN FORWARD Stage".
