

Volunteering with Festivals and Events

2 August 2022

Where will volunteers be based?

With so many great events taking place throughout the year, there are plenty of opportunities to volunteer and help support the growth of our local community.

Scenic Rim Regional Council's festivals and events are held throughout the region and you have an opportunity to volunteer in your local community or other areas in which you would like to assist.

When are volunteers required?

Events can be run at various times on weekdays, weekends, and evenings. Please advise us of your flexibility to volunteer for events on mornings, afternoons and weekends.

There are also opportunities for students to take part in running events during school or university holidays.
