

Boonah-Rathdowney Road, Dugandan

June 2022

Footpath Reconstruction

Council will reconstruct a 250 metre section of footpath along Boonah-Rathdowney Road as part of our ongoing commitment to deliver an accessible and serviced region to update and improve pedestrian and cyclist safety.

When will it happen?

Works are scheduled to commence between late June and early July 2022 and are expected to take three weeks to complete, weather and construction conditions permitting. Works will generally occur between 6.30am to 6.00pm Monday to Saturday.

Where will it happen?

Works will occur along Boonah-Rathdowney Road from the driveway of the Dugandan Hotel towards Old Mount Alford Road and continue on to the southern side of the bridge. Works will involve the replacement of the current footpath with a new concrete footpath including updated drainage structures.

What can I expect?

From time to time, there may be minor traffic delays on the Boonah-Rathdowney Road to allow construction traffic to access work areas.

Every effort has been made to keep disruption to a minimum to reduce the impact on the travelling public.

Council acknowledges there may be a level of inconvenience to business owners, pedestrians and motorists while these works are being undertaken. Your patience and understanding is appreciated during this time whilst these works are undertaken.

Questions?

Any enquiries regarding these works should be directed to Council on 5540 5111 or at mail@scenicrim.qld.gov.au, quoting "Footpath, Boonah Rathdowney-Road, Dugandan".

This project is an initiative of the Australian Government funded through the Local Roads and Community Infrastructure Program.

The Local Roads and Community Infrastructure Program supports the delivery of priority local road and community infrastructure projects across Australia, including the creation of jobs and the resilience of local economies to help communities recover from the COVID-19 pandemic.
