

# Enterprise Drive, Doug Sullivan Court and Barram Court, Beaudesert

October 2022

## Road Resurfacing Works

Council will carry out road resurfacing works to remove and replace existing pavement on streets within the Beaudesert Enterprise Precinct as part of its ongoing commitment to delivering an accessible and serviced region.

Works will include the removal of the existing surface, placement of a waterproofing seal and then placement of asphalt.

### When will it happen?

Night works are scheduled from Sunday 23 October 2022 to Thursday 27 October 2022 inclusive, and on Sunday 30 October 2022, weather and construction conditions permitting. Works will occur between the hours of 6.00pm and 5.00am.

### Where will it happen?

Works will occur nearby the intersection of the Mount Lindesay Highway along Enterprise Drive and include Doug Sullivan Court and Barram Court.

### What can I expect?

On-street parking along the area of works at Enterprise Drive, Doug Sullivan Court and Barram Court will be temporarily closed for the evenings between 6.00pm and 5.00am while works are underway. This temporary closure will not affect general daytime parking within the precinct.

From time to time, there may be minor traffic delays to allow construction traffic to access work areas. Every effort has been made to keep disruption to a minimum to reduce the impact on businesses within the precinct.

Council acknowledges there may be a level of inconvenience to business owners, pedestrians and motorists while these works are being undertaken. Your patience and understanding is appreciated during this time whilst these works are undertaken.
