Queensland **SMALL BUSINESS MONTH**

'Love your local'

Throughout May, Scenic Rim Regional Council will be running events across the region to celebrate our diverse small businesses and connect them to support, grants and partnerships that will help them thrive.

There will be a range of events for business owners to network, connect and learn new skills and tools that will help them succeed. Check out the program and take advantage of some of these great opportunities.

From budgeting to doing business with council, from short term accommodation to social media mastery, there is something for everyone.

For further details on any events being held in the Scenic Rim as part of Queensland Small Business Month, please contact the Regional Prosperity team on **07 5540 5111** or prosperity@scenicrim.qld.gov.au.
