Message from the Mayor

I am extremely proud to present *Scenic Rim 2026, Corporate Plan*, Scenic Rim Regional Council's updated *Corporate Plan*.

This Plan reflects the aspirations and strategic priorities of Scenic Rim residents and local business owners, as expressed in the *Scenic Rim Community Plan 2011-2026*. Developed in consultation with the community, the *Community Plan* identifies seven strategic pillars that collectively express the community's vision for the region. These seven pillars now provide the overarching framework for our *Corporate Plan* and our annual *Operational Plan*.

Our customers are at the heart of everything we do. Our commitment is proudly evidenced in our Customer Charter, which outlines the promises we make to our customers. Every day, in the delivery of our services and in our interactions with our customers, this is our commitment.

The review of our *Corporate Plan* has offered an exciting opportunity to renew our focus on the role of Scenic Rim Regional Council in delivering the community's long-term vision for our region. Our role extends beyond the traditional local government services of roads and rubbish collection. We understand the need to provide an accessible and serviced region. We've also heard your aspirations about growing the economy, creating local jobs, building a resilient community, supporting a vibrant arts and cultural scene and protecting the unique lifestyle our region has to offer.

Our *Corporate Plan* sets the direction for the Scenic Rim's growth and development for the next five years, recognising the importance of protecting our region's lifestyle and our unsurpassed natural environment. It commits this Council to actions and outcomes that evidence our shared vision with the Scenic Rim community.

It challenges us to ensure that we are considering the long-term needs of tomorrow in the way we address the issues we face today. It's important as a Council that we provide frameworks to grow our economy and support our small businesses so they build resilience and provide jobs for locals. We will provide our communities with programs that connect our residents, promote healthy and active lifestyles and deliver literacy, arts and cultural outcomes. We will take seriously our role of managing our natural environments so that they can be enjoyed for many in years to come.

Most importantly, the *Corporate Plan* paves a clear direction for this Council to deliver on its purpose: to enable a sustainable future for our unique communities and rich environments.

Message from the Chief Executive Officer

Scenic Rim 2026, Corporate Plan is Scenic Rim Regional Council's refreshed five-year plan: the next chapter in the story of our region. It provides a clear strategic direction for the organisation to ensure that Council will achieve the community's aspirational vision for the Scenic Rim.

The *Corporate Plan* articulates the Council's areas of focus, which provide the basis for decisions about operational priorities and allocation of resources. It defines the measures of success against which we will assess our performance.

The *Corporate Plan* is just one of the tools that guides Council's operations. Council will continue to meet its commitment to the delivery of day-to-day services to the community, including the provision and maintenance of critical Council-owned infrastructure, while progressing the areas of focus within the *Corporate Plan*.

As Chief Executive Officer, it is my role to realise the vision and direction provided by the elected Council. Through my leadership, I am accountable for the effective implementation of Council's Corporate and Operational Plans, for the delivery of services to the Scenic Rim community; and for the implementation of Council's Long Term Financial Plan, including coordination of the annual budget process.

The *Scenic Rim Community Plan 2011- 2026* provides a shared vision and plan for the future of the Scenic Rim region. Its seven key themes of Spectacular Scenery and Healthy Environment, Sustainable and Prosperous Economy, Open and Responsive Government, Relaxed Living and Rural Lifestyle, Vibrant Towns and Villages, Accessible and Serviced Region, and Healthy, Engaged and Resourceful Communities reflect the vision and give a focus to each action. Each of the seven themes of the *Corporate Plan* is described by a statement of intent that provides in total:

- 25 areas of focus - Council's priorities
- 74 actions - what Council will do
- 40 key indicators of success - what you can expect to see at the end of the five year timeframe

I look forward to working closely with the Mayor, Councillors and Council employees, and in partnership with the community, to deliver the specific outcomes of the *Scenic Rim 2026 Corporate Plan*.

Background

Scenic Rim 2026, Corporate Plan (Corporate Plan), is Scenic Rim Regional Council's (Council's) third corporate plan developed and adopted under the *Scenic Rim Community Plan 2011- 2026 (Community Plan)*.

The *Community Plan* continues to frame the longer term vision and plan for the region. It acknowledges the heritage of the region, defines its identity, and highlights the challenges it will face in the future. The *Community Plan* also establishes a structure of themes, which provides the basis for Council's future focus and public conversations.

As such, *Scenic Rim 2026, Corporate Plan* aligns with the themes of the *Community Plan* and defines the role that Council will take to help the community achieve its vision.

Scenic Rim 2026, Corporate Plan sits between the *Community Plan* and Council's *Operational Plan*. It establishes the key initiatives guiding the strategic direction of Council's annual *Operational Plan*.

The Corporate Plan centres on those activities focused on achieving key outcomes for the community.
