

BRISBANE STREET CONSTRUCTION WORKS

Project Update March 2025

THE PROJECT

Scenic Rim Regional Council continues to deliver major drainage improvements to Beaudesert Town Centre.

Council is currently delivering the final improvements to Brisbane Street which include the final seal of asphalt, footpath paving and landscaping. These improvements are part of the ongoing beautification efforts designed to enhance the aesthetics of the town centre.

Safety improvements for pedestrians and motorists at various intersections, including Eaglesfield Street intersection are on track to be completed by the end of March 2025.

When complete these upgrades will address the longstanding flooding issues on Brisbane Street, delivering major drainage improvements that are vital to local businesses and community safety during major rain events.

PROJECT UPDATE

Unfortunately, due to the impacts of ex-tropical cyclone, Alfred, the reopening of the northbound lane on Brisbane Street has been delayed and is now scheduled for late April 2025.

Construction crews are diligently inspecting work areas post-event to ensure the integrity of the installed infrastructure, ensuring the site is safe for the works to continue.

Despite the project team's efforts to expedite progress through night works, significant rainfall during the event has caused delays.

Council apologises for the unforeseen delays in the project's progress and the inconvenience this has caused to road users, local businesses and residents living near the project.

NEW PROJECT MILESTONES

- New street seating along Brisbane Street (northbound and southbound).
- New pedestrian crossings will be open for use.
- Landscaping to Brisbane Street (southbound) to be completed by the end March.
- Footpath paving to Brisbane Street (southbound) will be completed in April.
- Brisbane Street (northbound) will reopen to traffic by end of April.
- Permanent 30 kilometre per hour speed limit signs installed along Brisbane Street, between the intersections of Selwyn Street and Telemon Street.
- Council acknowledges there will be inconvenience to local residents, business owners, pedestrians and motorists during these works.

We thank you for your continued support as we work towards completing the project.

Please continue to support local business throughout this period.

QUESTIONS?

Any enquiries regarding the works should be directed to Council on **5540 5111** or by email to **mail@scenicrim.qld.gov.au** quoting **'Brisbane Street Construction Works'**
