2-hour family workshops inspired by QAGOMA's Asia Pacific Triennial Kids on Tour program.

\$10pp; \$25 family (2 adults & 3 children, age 5+). Bookings essential.

What to bring: children to wear closed-in shoes, art-making clothes, a water bottle and snacks.

Where a Seed Finds Its Home Watercolour

Wednesday 9 April, 9.30am-11.30am
Vonda Youngman Community Centre

Through drawing and watercolour, you'll explore semi-abstract designs, shapes, collage, and colour to create a unique artwork that reflects your personal connection to home.

Exploring Nature Art

Friday 11 April, 9.30am-11.30am
Vonda Youngman Community Centre

Explore the natural world of plants and bird - you'll experiment with line and shape to create intricate patterns, bringing your unique vision to life through a variety of media to make gift cards or an artwork to take home.

Patterns in Nature Printmaking

Tuesday 15 April, 9.30am-11.30am
Vonda Youngman Community Centre

Explore lines and patterns through the fascinating world of insects and sea life. See nature in a new light as you bring your unique artwork to life.

Shibori Folding & Eco Dyeing

Wednesday 16 April, 1.30pm-3.30pm
Vonda Youngman Community Centre

Explore geometry and pattern through Shibori folding and dyeing techniques. Create a flag or bunting that expresses community and make a solar dyeing jar with plants to take home.

KIDS WORKSHOPS

Clay Animation - Monsters in Motion

Thursday 10 April, 9.30am-11.30am
Boonah Cultural Centre

Ever wondered how to create clay animation? Using the latest software you will make your own monster characters with the Bazil Grumble team then learn how to bring them to life on the big screen. Bazil Grumble has been seen on lots of TV shows, and now it's your turn to learn the tricks of the trade!

What to bring: ipad/smart phone that can be used to download the animation app and film an animation. Venue will have some ipads available for use.

\$15 (Age 7+ years). Bookings essential.

Forest Friends in Clay

Thursday 10 April, 1.30pm-3.30pm
The Centre Beaudesert

Join in this fun hands-on workshop sculpting forest critters with the dynamic Bazil Grumble team. Children will unleash their creativity and take their clay creations to the next level by adding unique textures and patterns using natural materials and clay-decoration techniques such as paddling, stretching, and stamping. Children will take home their new friendly one-of-a-kind creations.

What to bring: water bottle and snacks.
\$15 (Age 7+ years). Bookings essential.

Movie Sound FX Encounter

Tuesday 15 April, 9.30am-11.30am
Boonah Cultural Centre

Ever wondered how sound effects (FX) are created for movies? In this fun workshop, children will experiment and discover exciting sounds and rhythms using everyday items from the home. Join multi-media artist, Jo Davies, to explore and record weird and amusing sounds.

What to bring: a water bottle / wear closed-in shoes.

\$10pp (Age 5+ years). Bookings essential.

Custom Creatures Puppetry

Wednesday 16 April, 9.30am-11.30am
The Centre Beaudesert

Design and craft your own puppet and learn how to bring it to life. This exciting construction workshop will take puppetry manipulation skills to the next level by allowing participants to design, craft and build their very own tabletop sized puppet.

Using simple brown paper techniques, students will follow our Dead Puppet Society process of design prototyping, resulting in the construction of a one of a kind creature.

Participants will then learn how to bring their puppet to life with special manipulation techniques.

What to bring: a water bottle and snacks / wear closed-in shoes and art making clothes.

\$10 (Age 8-18 years). Bookings essential.
