2025 SCENIC RIM BUSINESS EXCELLENCE AWARDS — BEA00002

Category: Sustainability and Innovation

* indicates a required field.

1. Business Overview

Provide a clear overview of your business, project, and/or initiative and what you do?

You may wish to include:

- Your core products, services, or goals and industry background.
- The challenge, problem, or opportunity you have identified.
- When and how the innovation or sustainable practice began.
- Your vision or purpose behind the change.
- What sets your idea or model apart?

Provide a clear overview of your business and what you do? 500 Word Limit, 20/100 Points
*

Character count: **0 characters**
Word count: **0 words**
Must be no more than 500 words.

> Response required.

Upload photographs that best represent your business, team, product, or facility.

Attach a file: [Upload new file]   [Select stored file]

A maximum of 2 files may be attached.

2. Innovation and Creativity

Explain how your business, project, or idea has used innovation or sustainability to drive success or solve problems?

You might consider:

- The development of new ideas, program, systems, products, or technology.
- Creative problem-solving or adaptive thinking.
- Digital transformation or process improvement.
- Outcomes or impact of the innovation on your business, sector, or community.

Explain how your business, project, or idea has used innovation or sustainability to drive success or solve problems? 500 Word Limit, 20/100 Points *

Character count: **0 characters**

Word count: **0 words**

Must be no more than 500 words.

Response required.

Consider uploading evidence to support your answer, for example screenshots/images showing your initiative in action.

Attach a file: Upload new file   Select stored file

A maximum of 2 files may be attached.

3. Sustainability and Responsibility

Describe the sustainable and/or innovative practices you have implemented, and the positive impact achieved?

You might include:

- Resource efficiency (e.g. energy, water, waste reduction)
- Circular economy, reuse, or recycling initiatives
- Ethical or responsible sourcing
- Environmental education or advocacy
- Social or community sustainability initiatives

TIP: Assume the judges don't know your business, industry and/or project and explain the process and steps for your practice or initiative.

Describe the sustainable practices you have implemented, and the positive impact achieved? 500 Word Limit, 20/100 Points *

Character count: **0 characters**

Word count: **0 words**

Must be no more than 500 words.

Response required.
